Fraser, Alexander [Secretary to Lieutenant-Governor of Ontario] Nov. 1919 (050)

November 8th, 1919

Colonel Alexander Fraser, K.C.B.,
Secretary to His Honour the Lieutenant-Governor of Ontario,
Government House,
Toronto.

Dear Colonel Fraser:

Would you be kind enough to see that His Excellency gets one of these programmes and His Honour the other ? They cover the proceedings in regard to the opening of Hart House.

Immediately after the opening there will be a Luncheon. Rooms will be at the disposal of His Excellency and His Honour so that they may rest until the Convocation in the afternoon, which is at three o'clock. Immediately after the Convocation His Excellency will lay the foundation stone of the War Memorial. The order there will be that Mr. Bolus will present the trowel to Mr. Justice Master, the President of the Alumni Association, who will present it to His Excellency, who will then lay the foundation Stone. Archdeacon Cody will offer a prayer of consecration and dedication, and the Last Post will be sounded.

Then, there will be a reception to which, however, the Government House Party will not be expected to be present.

In the evening there will be a dinner given by the Governors to the guests and graduates at 7:30. If His Excellency and His Honour can be present that evening we shall be greatly pleased.

Will you be kind enough to have His Excellency and His Honour informed as to this order of procedure ?

Yours sincerely,

President.
